When I decide to bed a guy, I promise him that it's going to be an experience he won't forget. I have a large mouth, and a small pussy, and a really tight ass, and I know how to use them all and no has left my bed unsatisfied. Sometimes it's to get my way. Sometimes it's to please the guy. And sometimes it's just to make me some honey. Whatever the reason, I love having hot sex.

she wanted lotsa knobs

My wife loved her little ‘pocket rocket’ and said she used it all the time we weren’t together. I asked why she didn’t use it when we were together. She told me that she wanted a bigger one to use with me. So I suggested we ride over to the head shop where they sell sex toys too. She readily agreed. She wanted an eight or nine-inch realistic-looking vibrating dildo with variable speeds and a suction cup on the bottom. I was a little surprised by her very detailed description but let it go. We bought a really bright purple one with lotsa knobs and ridges. In the car, she took it out and put in the batteries. Turning it on, she looked at it and smiled at the shriek and quickly pulled away from it with her hips. Then she pushed it harder onto herself. She stopped and turned it off, telling me we can go to the park since it was just a mile or so from where we were. When we got there, she took no time pulling her shorts and panties off. She sat on a park bench and started rubbing it on her wet slit. As she rubbed up and down, she would put it in slowly at first. Then she started picking up speed.

I couldn’t stand it any longer. I pulled my shorts off and joined in on the fun. I sat next to her and she stroked me with her other hand. She didn’t have to pull on it very long, watching her fuck that toy and scooting closer to the edge of the chair. Her legs were opening themselves wider and she was pushing it in deeper. I came and shot a load five feet in front of me. Seeing that, she almost laughed. Her laugh turned into a long sigh and her nipples hardened up like two pencil erasers under her tee shirt. Then she closed her eyes and started mumbling with the vibrations. Her hips pushed harder into the vibe and she pushed it in deep as she could. Bobbing up and down in that position three or four times, she pulled it out and a huge drop of lady cum spilled out onto the ground. We gathered ourselves up and headed back to our place to do the wild thing. Since then, she has become quite a happy fucker after that. Let me tell you guys, if your woman doesn’t have a vibe, I suggest you get her one, now!

– Glen, Tuscon

See me, feel me, touch me

In a couple weeks I’m starting a new job. Before doing so, I had to do a drug test listen to some sexual harassment seminars and was given a handbook of company policies in the HR meeting. At this meeting was this hot babe with curly hair called Sylvia. She was the Marketing Department’s rep for HR. After the meeting ended, she told me there were a couple more

things that needed to be gone over before I start, and I told her I would stay. The other three left and it was just the two of us. She sat at the head of the table and motioned me to the corner chair next to her.

During the conversation, I felt a pushing between my legs from Sylvia’s direction. As I looked at her, I noticed how hard her nipples had become. They were

sticking out so far I could have hung my jacket on them. I thought, 'she couldn't have been wearing a bra.' Looking deep in to my eyes she mouthed "I want you. I'm feeling so horny today." I couldn't believe my

ears. She pinched the inside of my thigh as she told me so I said to her, without even thinking: "Do you like being teased?" to which she answered, surprise, "Yes." Then I said, "Let's go."

We decided to walk to her house which was only fifteen minutes away. It presented plenty of opportunities to tease Sylvia as the route ran along a canal and is always very quiet.

As we walked, she suddenly grabbed my cock and tried to undo my pants. I said 'No' just feel me through the pants. But I did return the favor by grabbing her in the same place while I gave her a deep kiss. After a moment or two, we stopped and continued walking along the canal. Further along, as we passed the first lock, I stopped and pushed her against a wall. Kneeling down I undid her skirt, push-

ing her panties to one side. I gave her pussy a good exploration with my tongue, just tonging her labia and clit.

I did this for a minute before suddenly stopping and buttoning her skirt back up. As we got further up the path she wanted to touch my cock again so only let her touch me through my pants. As she massaged my cock, it started to get hard. After a couple moments, I gently removed her hand as we continued walking on to her place. Further along the path we passed a bench so I sat down and she sat between my legs. I put my arms around her and gave her a squeeze I moved one hand down between her legs and underneath her panties and gave her a pussy a rub.

By this point she was very wet so I slid in two fingers curling them round and finding her g-spot. As I did this, a couple passed us, the guy gave me a knowing nod as Sylvia blushed. She then grabbed my hand and we continued up the path. As we got towards the end I couldn't resist stopping again, pushing her up against the wall again I gave each of her firm hard breasts a suck and lick before we got to her place. By the time we were in the door, I let her get a proper feel of my cock.

We were both so horny we jumped on each other the moment the door closed behind us. We didn't even wait to get to the bed, we were on each other like attacking lions. I got my pants and boxers down and she got her skirt down and I quickly entered her by parting her panties. I deposited my full load in her after only a few thrusts of my cock. We just lay there on the hall carpet moaning with me still inside her until my erection subsided. Leading me by the hand, she led me to the bed. Laying her down, I stripped her clothes off followed by undressing myself.

Parting her legs in a moment of pure experimentation I started to lick her cum filled pussy as she moaned with pleasure. She then squeezed my man juice out which she licked clean swallowing everything I gave her. After a good ten minutes, Sylvia came. Then she rolled me over and gave me the best blowjob I have ever had. We both needed a rest and some food.

By this point she was very wet so I slid in two fingers curling them round and finding her g-spot. As I did this, a couple passed us, the guy gave me a knowing nod as Sylvia blushed.

He just gasped, and I stood before him – and putting a hand on either of his knees, I leaned forward until my boobs were inches from his face.

After we rested, we went on to make love another three times, each time I lasted longer, with the last time about thirty minutes. She was quite adventurous and suggested positions I had only imagined. She even let me spend the night with her. We had morning sex, and a bj too, which I have never had before. I've never had so much sex in one day before, especially with someone I had only just met. We see each other at work occasionally and are pleasant to each other. It's just when we are out of the office do we become animals!

– Mitchell, St. Paul

my screened porch door. He was after my cat who was growling and arching her back. We both went over to calm our animals down.

"Maybe you better step inside." I opened the door as he held his dog back. "Come in and sit down." I said. Sitting across from him I stared into his eyes but he couldn't help sneaking peeks at my long bare legs. "I bet you want to see me naked, don't you?" He nodded. I rose to stand in front of him and he didn't make a move as the towel fell to the ground. He just gasped, and I stood before him – and putting a hand on either of his knees, I leaned forward until my boobs were inches from his face. He took one in each hand and moaned. Turning slightly, I directed my left nipple down into his mouth, his lips grabbed it and began to suck, the nipple growing and hardening. I fed him my right breast then, which Gregg licked and sucked with fever, back and forth he went from one to the other.

Unzipping his fly, I reached inside to grasp his rock hard cock and pulled it out. He kept a hand on each breast as I dropped to my knees between his and bent my head forward taking the swollen head in my lips. With my right hand stroking his shaft, I played my tongue up and down his cock. Soon I took the whole thing into my throat, head bobbing, cock slurping in my mouth as I greedily sucked and licked his throbbing tool. I began to grind my hips, humping as I continued sucking him off while his strong young hands gripped my boobs. I released his quivering prick to lap at his balls. The salty taste of his heavy balls excited me as I widened my jaws around his swollen testicles.

Opening my mouth wide I plunged his dick deep into my throat, almost gagging and choking as he began to cum, hips bouncing, moaning. His thick, creamy sperm spurted again and again in a huge white stream filling my mouth until the overflow seeped between my lips. I swallowed again and again as the sticky cum flowed. With my mouth filled with his cock, I slowly relaxed in his after-glow when we heard his dog scratching at the door.

– Shawn, Louisville

[Lost dog finds pussy](#)

I looked up to see the guy from across the street standing over me, blocking the sun I was trying to get for my tan. Sitting up and fixing my skimpy bathing suit, which had come loose revealing the light brown skin under my top, almost to the nipples, I looked at Gregg and said, "You startled me." Lifting my arms behind my neck to retie the strings, my breasts jutted forward, straining at the thin top.

"Sorry Rachel, it's just that my dog ran up your driveway and I was chasing after him." he said. "And did you catch him? Here, in my backyard?" I asked. "There he is." said Gregg. I looked to see his dog pawing at

Don't tell my husband, but I also have a thing for bodybuilders with big cocks, and have the pictures to prove it. My best friend took the pictures to your magazine and some show me doing things with my tongue that are probably illegal in some places. Just because I walk around naked doesn't mean I'm a slut. I'm just comfortable with my body and my sexuality. And I show them both off as much as I can.

ADRIANA & DICK

When I turned eighteen, I thought the world was my oyster. I wanted it all and went for it all. What I didn't get was a happy sex life, so I expanded my horizons and found love for all my right places. By 40, I'd only had anal sex a time or two and I'm really starting to like it a lot. It is a great feeling!

This summer, I was on spring break with my new wife, Steffi. We were in South Padre Island – out to dinner with some college friends, Justyn and Farah, and after several bottles of red wine we were all feeling a little tipsy, and a little friendlier. We went back to their hotel room to play a few hands of poker and watch some TV. We played a couple hands and my wife, Steffi, won both of them. Then Farah suggested we up the stakes: strip poker. Steffi and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands, she felt quite confident.

I knew Justyn had eyes for Steffi, and I kinda had a hard-on for Farah, so I was all for it. Farah dealt the first hand and Steffi won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and some of us were down to our civvies. I had on a T-shirt and boxers; Steffi was in her bra and panties; Justyn was just in boxers

and one sock, and Farah was in bra, panties, shirt, and she still had her smile on.

It was now my deal. We were drinking and laughing as bets were made. Justyn won and I dropped my shirt, Steffi her bra, and Farah stood up and started a little dance as she began to undo the buttons on her shirt. All of a sudden Steffi got up and started to help her. She reached down between Farah's legs and pulled the panties off of her. Throwing them over to me, I caught them and twirled 'em around, egging the girls on. As Justyn and I looked on, they started kissing each other and Farah reached over and pulled off Steffi's bra and then pulled down her panties, throwing them to Justyn. She then gently pushed Steffi onto the table and grabbed her knees to spread them. She lowers her head into Steffi's crotch and begins to lick her. We guys watched as she licked and stuck her fingers inside my wife's wet pussy.

I get up first and position myself behind Farah. I drop my boxers and slip my cock inside her as she continues to lick Steffi. Justyn saunters over beside Steffi and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Justyn and I grab a couple of the wine glasses from the table and toast each other over the girls. Farah then stands up and pulls me out. She seats herself next to Steffi on the poker table and motions me to continue fucking her as she opens her legs and gets into position for my cock. Justyn takes advantage of the change and moves around to drop between Steffi's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I fuck his.

All of a sudden Justyn gets up and lays down on the table. Steffi proceeds to rub him back to hardness. Her mouth works on his cock and he's instantly hard again. I'm still fucking Farah and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the

table. Justyn seems to have made a miraculous recovery and Steffi brings him to climax taking his jizz in her mouth and then spitting it into a wine glass. It seems that both of our friends have cum so Steffi and I are left to finish off ourselves. She grabs me by my stiffie and pulls me to the bed. Immediately she sits on the bed and pulls my cock into her mouth. She works it like a pro and then leans back and guides it into her damp pussy. I can't resist banging her as hard as I can and we end up fucking our heads off.

In the morning we called our friends to see how they were. Farah says they are both fine and had a great time last night. We agreed and said that we should do it again next time we spring break. I think we're going to plan another trip here next month and not wait for spring break.

– Samuel, El Paso

and here's to you ms rosen

Who would have thought my best sexual experience would be in a bank branch just off campus where I work part time. After closing one night, I was cleaning the banking floor as normal when I hear someone upstairs, so I went up to see what was going on. I walked down a hallway to the far office and to my surprise, there was the manager Ms. Rosen laying on the couch naked, sliding a dildo in and out of her pussy. She is a good looking woman – early thirties, nice 36-C boobs. She was oblivious to me watching her. I stood there several minutes, my cock stiffening. Suddenly, she noticed me standing in the doorway and without hesitation, smiled and said why don't I come in. I didn't think twice and went over to her. She sat up and undid my pants and slid them down. She took my cock in her mouth sucking on it, making it even harder.

Mrs. Rosen laid back on the couch, legs wide open, and in a second I was naked and between her legs and slid my cock into her until all of it was up her hot wet pussy. I plunged in and out of her, banging my balls against her soft ass cheeks. She wrapped her legs around me and was bucking against me as she was cumming. I was inside her, banging her until I shot my load of juice up her fucking soaking wet

pussy until I went limp. After catching our breath, we both got dressed, she went home and I finished cleaning the offices.

Everything went on as usual for about a week until one evening I saw she was working late and she was wondering if I eat pussy as good as I fuck. I said, well there is only one way to find out. She wants to find out. She did not mince any words. She said she'd be off tomorrow, come over to her home after nine. She gave me her address and insisted that I be right on time.

She sat up and undid my pants and slid them down. She took my cock in her mouth sucking on it, making it even harder.

As I fucked her, I had her stretched out in the wishbone and pounded that cougar pussy the whole day. The bed rocked back and forth, her loud moanings were the only sounds in the place. She let out a moan and said 'fuck me harder.'

The next morning I was with her in the bedroom. Both of us naked. I went down and ate pussy, nice and plump and pink, licking and sucking her clit over and over until she was cumming. I slid my tongue in her pussy and she was moaning and pushing her pussy against my mouth. She whispered that she was ready for me, and my cock. I worked my way up over her body as my cock found it's target. I had her legs over my shoulders, thrusting into her.

As I fucked her, I had her stretched out in the wishbone and pounded that cougar pussy the whole day. The bed rocked back and forth, her loud moanings were the only sounds in the place. She let out a moan and said 'fuck me harder.' I was more than happy to do so, taking her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her boobs bouncing.

Her pussy tightened around my cock as she was cumming again and she said 'don't stop.' I didn't until I exploded and filled her pussy with my cum and

then went limp. But Ms. Rosen still wanted to fuck some more. She sucked my cock hard again, straddled me and we fucked until we both came again.

Everytime we have sex, she says she's in paradise and lays there with her mouth open and her eyes rolled inside out. Sometimes she tends to doze off with my dick still inside her. She tells me it feels so good, she can fall asleep during intercourse. But somehow we still manage to have the best sex possible. She says she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

But evening does come around and I must go. I showered and dressed. She puts a robe on. Before I left, she said she wanted to meet once a week. I agreed and we made the arrangements. Every Friday night, after dinner but before eight. That is why I have always loved sex with an older woman. They know what they want.
